Hi (b)(6)(b)(7)(C)

Not sure why (b)(6)(b)(7)(C) thought (b)(6)(b)(7)(C) would be doing the CatEx! BPAM asked us for any of our documentation, and we pointed out that the biological assessment could not be used (more than 90 days, etc), and that BPAM was the one that arranged for it anyway. We gave them the GSA contact (which we had through BPAM, so again, not sure why they didn't have this themselves), and other background info.
